**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC we need competition, that is why Im pleading for you to maintain it. If you dont we as a people will suffer because internet access needs to be as ubiquitous as water and power. Kids need it to do their studies, and adults need access in order to even apply for a job. If the cable companies have their way, no one will be able to afford even the meagerest of service.
